

District VIII Governor's Newsletter

May 27, 2014

Wallace Convention (June 15 -22, 2014)

I would love to see all of you in Wallace. If you haven't booked your room yet you can still phone 1-800-643-2386 for help.

If you haven't received the Registration form go to the Wallace website to download it. <http://www.wallacegyro.com/>

Fairmont

Six Gyros and four Gyrettes participated in our fun weekend in Fairmont as well as a dinner participation from Paul and Brenda Stout on Friday evening. A good time was had by all and we even managed a golf game on Friday.

Attending were George and Wilma Turner, Todd and Gail Verhaeghe, Derm and Lillian Jackman, Ray and Peggy Guindon, Jeff Malott and myself.

Membership

Congratulations to Calgary, Nelson, Regina (4 new) and Stampede City who have all increased their membership in the past 2 months. Their efforts have resulted in an overall increase of 6 in District VIII.

New Era Committee Report

At the international interim in Tempe last January, a committee was formed (headed by Tim Wright) to plan for the future of Gyro. The report was just released and the International, District and Club executives are now reviewing it. It will be discussed in detail in Wallace. It is probably premature to give too many details at this time but don't be shy about asking your club President or the District Executive about it as there are positive suggestions for change. Better yet, come to Wallace to give your two-bits worth in person.

Last Newsletter

As this will be my last newsletter as Governor, I wish to thank all who have participated in Gyro events and made my year as Governor a memorable one. (For me at least, if nobody else)

Jim Malott
