To All District 8 Gyros:

I hope that you and your families are in good health and safe during this very uncertain time. Please continue to do your part to flatten the curve. When we get this pandemic behind us, we will be able to get back to more of a social life than what we are experiencing at the present time.

Your District Executive have met online using **Zoom** and we have discussed changing the Executive. We have reached a unanimous decision to maintain the current Executive going forward till such time as we can have a **District Convention** or **District Interim** meeting. Any Gyro convention would likely need to await Stage 3 (for Alberta) and as such would not happen until late 2020 or early 2021.

I would like to thank all the members of the Executive for their commitment, to you the members and to Gyro overall.

I would like to take this opportunity to let you know that we have now launched the **New International Web Site**: <https://gyro.org/> if you are following a **bookmark** or **favorite** you will automatically be redirected to the new site. Please check it out and let me know what you think, we know that some of the info is out of date, but we will work through those issues. We have optimized the site so it looks good on any device you may use. I would like to acknowledge the International Tech Committee.
