Gentlemen

Just a little over a month away from our first gathering since Drumheller in 2019, it just seems so long ago. Many of us are looking forward to revisiting friends and acquaintances that we haven't seen in a few years.

I am sure that there is additional room for those who have not made up their minds as to whether they will be attending. We sure would like to spend some time together and make new friends as Fall is just around the corner and you know what comes after that.

As many of you know, we lost our dear friend and PDG Keith Bradley after a lengthy illness after suffering a bad fall in April. We send our condolences to the Bradley family. Keith and Jan were always participants at our Interim's and District Conventions over the many 46 years of his Gyro Service. We will surly miss his presence.

There has not much activity throughout the District since my last writing, however I would be remiss in not mentioning the terrific effort made by our Gyro Club of Stampede City in the planning and organizing of our upcoming Convention. Thank you.

Just a reminder to all Club Presidents that we look forward to your written reports on your Clubs activity during the past year and if you are unable to attend the Convention, please forward your report to member of your Club who is attending or myself. Thanks in advance.

District VIII Convention will be held in Medicine Hat, AB from September 22nd to the 25th. Please drive safe and look forward to seeing you there.

Yours in Gyro Friendship

Sid Slade, Governor District VIII
